1. The following is an examiner's statement of reasons for allowance:

the art of record fails to teach or suggest a system of detecting, qualifying, quantifying, providing notification of and neutralizing an environmental hazard, comprising a field deployable marker, a remote station and separably deployable means for neutralizing the environmental hazard, the marker carrying a means for detecting, qualifying and quantifying environmental hazards, a means for communicating which transmits data to a remote station, a means for controlling the means for detecting, qualifying and quantifying, and a means for signaling which indicates status of the marker or status of environmental conditions surrounding the marker, when deployed, to the remote station or personnel within sight of a deployed marker.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
